

## ROLE PROFILE – IAM CONSULTANT

Employees and applications; consumers and products; people and devices – we bring them together and help them do business, digitally and securely.

At Pirean, we improve customer engagement, enable workforce productivity and secure access for millions of users every day.

We are looking for IAM Consultants to join our professional services team.

### Overview of the Role:

We are looking to recruit Senior Identity and Access Management Consultants into our Professional Services team.

For this role we are looking for exceptional individuals with demonstrable experience of deploying and/or supporting at high level real world IAM security solutions. Knowledge of the IBM Security Solutions portfolio is highly desirable.

Consultants will be confident in their ability to manage engagements, lead teams, and provide customers with valuable solutions to their IAM challenges.

Successful candidates will have a strong desire to take a role within our consulting practice, working in the delivery of successful customer solutions across:

- Access Management;
- Federated Identity Management;
- Identity Management;
- Directory Integration;
- Security Information and Event Management; and
- Technical Implementation of security solutions.

Successful candidates will typically have 5 to 10 years' experience performing a technical role in the IAM field, although not necessarily in a consultancy capacity. They will be expected to have a good working knowledge of the business challenges, core technologies and best practice solutions in the IAM field. They will be expected to demonstrate the following skills and abilities:

- Excellent written and verbal communications skills;
- Strong interpersonal skills;
- Strong ability to influence, negotiate and motivate;
- Desire for achievement and action;
- Puts the team first and supports other members without guidance;
- Proven analytical and root cause analysis capabilities;
- Proven leadership and management skills (e.g., conflict / resolution, personnel management, etc.); and
- Motivated and a self-starter, ability to project manage their own work, and work of others.

As well as a market leading salary, successful applicants will be offered a comprehensive benefits package. The salary and benefits package is negotiable, dependent on experience.

Travel to, and working from locations across the UK may be required on occasion. Travel expenses will be reimbursed where applicable.
